This figure is a topographic map of a coastal region, likely in Japan, showing a grid of elevation points. The map is divided into a grid by blue lines. The grid lines are labeled with numbers: 523940 at the top left, 523930 in the middle left, 523920 at the bottom left, 523931 in the middle right, and 523921 at the bottom right. The map shows a coastline with a bay or inlet. The land area is colored in shades of brown and green, indicating elevation. The sea area is light blue. The map includes various geographical features such as mountains, rivers, and roads. The name '伊東市' (Ito City) is visible in the lower left quadrant. The map also shows a network of roads and a railway line. The grid lines are labeled with numbers: 523940 at the top left, 523930 in the middle left, 523920 at the bottom left, 523931 in the middle right, and 523921 at the bottom right. The map shows a coastline with a bay or inlet. The land area is colored in shades of brown and green, indicating elevation. The sea area is light blue. The map includes various geographical features such as mountains, rivers, and roads. The name '伊東市' (Ito City) is visible in the lower left quadrant. The map also shows a network of roads and a railway line.
